Apply for six-month internship program

"Your Growth Starts Here" in

DATA SCIENCE & PROCESS MINING TEAM

Location: Belgrade

If you are interested in:

- Taking part in projects regarding data science and analytics
- Extracting, cleaning, transforming and understanding various data
- Getting familiar Azure Data Factory, Python and Alteryx
- Finding patterns through data analytics that can be leveraged in the business decision making process

And you are:

- Graduate or final year student in computer science or natural science college
- Fluent in English language
- Communicative, organized and have great interpersonal skills
- Analytical and enjoy problem solving
- Love to learn and adopt new knowledge and programs (knowledge of programming language or tools like Tableau and PowerBI is welcome but not necessary)

We can't wait to meet you! :)
